LW 2018096 <i>Controlled Substance-Possession Marijuana/hash Oil/hashish/</i>	<p>Society VICTIM of Controlled Substance- Possession Marijuana/hash Oil/hashish/ (C), at 1457 E Lloyd Expy, Evansville, IN, on 10/04/2020, 00:45. Reported: 10/04/2020.</p> <p>We were driving west bound on Lloyd Expressway, not passed N Willow entry from Lloyd Expressway, where I observed thru my driver side mirror the above vehicle with a headlight out. I also was not able to read the Temp Tag because of its placement.</p> <p>Upon initiating a traffic stop, I made contact with the driver, the female suspect. I was also able to smell strong odor of marijuana coming out of the vehicle during our conversation. During our conversation with the driver, I was informed that the vehicle does not have any insurance, because the passenger (the owner of the vehicle) lost her job and did not have any money to pay for it.</p> <p>I ran the driver`s information thru NCIC, and it was determined that the driver status was valid. Once assisting officers arrived on scene, we detained all 3 passengers and the driver, and placed them in the handcuffs.</p> <p>One of the officers asked the driver, if she had anything illegal on her, and the driver advised us that she had a blunt inside of her brow. The driver took a brown color blunt, with green looking substance inside of it, and gave it to the officers.</p> <p>The male suspect during my search of the vehicle advised to other officers that there was some weed on the driver`s passenger side, and it was his.</p> <p>During our vehicle search I was able to find a green leafy substance on the driver`s side passenger floor, where the male suspect was sitting at. I also found a small clear Jar with Jolly Junxtez Cake Batter written on it. I found a green leafy substance in between the shift lever and plastic cover of the center console.</p> <p>The male and female suspects were cited and released on scene. I advised the female suspect to park the car, since it did not have any insurance.</p>		AGHASARYAN,
