The vehicle was up against the south side guard rail facing east. The vehicle had damage to the drivers side of the vehicle and multiple airbags had deployed. The vehicle also had damage to the passengers side due to its contact with the guardrail. The vehicle was unoccupied. Inside the vehicle I observed multiple empty alcohol containers. I was also able to find a wallet. The wallet belonged to Christopher Hale. A bill of sale for the vehicle was also found. Hale had just purchased the vehicle on 11/18/2020. The vehicle was inventoried and towed to Tri-State.</p> <p>On the east side of the overpass another vehicle was parked on the side of the road. The vehicle was a white Chevy Equinox (IN plate JD3575) and belonged to Dixie Taylor. Taylor was with her vehicle and stated she had been involved in the accident. Taylor stated she was headed east on Oak Grove Rd when the offender's vehicle (unknown make, model, or driver) was headed west and drifted into her lane and crashed into the drivers side of her vehicle. Taylor stated she pulled to the side of the road and stopped after the crash. She stated she thought the offender drove off because she did not see him. Taylor's vehicle has damage to the front bumper, entire drivers side, and both tires consistant with a head on side-swipe.</p> <p>It appears that Taylor was east-bound and the offender was west bound. The offender drifted into the east-bound lane and made contact with Taylor's vehicle. This contact caused the offender to spin 180 degrees before it made contact with the guard rail on the south side of the road and came to a rest facing east.</p> <p>Officers heard screaming north of Oak Grove Rd and believed it was the offender. Officers called out to the suspected driver, Hale, but received no response. After Tri-State had towed both vehicles officers searched the wooded area just north of Oak Grove Rd for roughly 45 minutes but were unable to locate anyone. Ofc.
