Brandon left his home at 15:30 on today`s date and returned home at 20:16 when he noticed the rear door broken into. Brandon`s girlfriend resides at the home but was not home during the incident. Brandon also has a loose dog that runs freely around the apartment while he is gone. I took pictures on my body camera of the damaged door. The door frame appeared to be splintered where the dead bolt and bottom lock broke through the door frame. Brandon says he keeps his back door locked. Brandon was provided a case number.</p> | MASTORIDIS, E. |
