April advised she deleted some of the messages, but kept many of them. The messages began at 0435 this morning and ended at approximately 0951 when she decided to block his account. The messages did not make much sense. April showed me where "John Sanders" sent her several kissing emojis followed by "That`s from Bob." April advised that the offender frequently goes by that name, which led her to believe the offender was the one actually sending her the messages. April further stated that he came over to the apartment today and banged on the door repeatedly, saying nonsensical things to her through the door and to other neighbors. April was fearful that the offender was going to break down the door.</p> <p>Two witnesses, Brandi Garris and Steven Herron, were in the apartment</p>	EAGLESON, R. C.

LW 2101506 <i>Theft</i>	<p>spending time with April when the offender came to the door and started banging on it. Brandi advised that April informed her that the offender was not supposed to be at her apartment, so she started an audio-only recording of the offender yelling. In that recording, I could hear the offender yell, "It's my house!" I immediately recognized the offender's voice because I have had prior contact with him on a previous incident and thus, am familiar with his voice. Brandi advised he had just walked away from April's apartment door and was speaking to a neighbor downstairs when she began recording. The other witness, Steven Herron, advised he went outside of the apartment and stated he saw the offender walk away from the apartment building to the east into the parking lot after trying to make contact with April. I advised April and Brandi to maintain the audio-only recording and text messages from the offender on their phones.</p> <p>I advised April and the other witnesses in the apartment to keep the door shut and to brace it if necessary. Everyone was advised to contact 911 upon seeing or hearing the offender in the area. April was provided with a case number for her reference. April, Brandi, and Steven's information was updated in RMS. I advised April that I would attempt to find the offender tonight, but if I did not, I would file a warrant for his arrest through the prosecutor's office. My involvement in the case was recorded on my department-issued body worn camera.</p> <p>Abrams, Christopher (W M, 28) VICTIM of Theft (C), at 2020 S Green River Rd, Evansville, IN, between 19:00, 01/26/2021 and 19:27, 01/26/2021. Reported: 01/26/2021. Tot.Est.Loss: \$20.</p> <p>Officers were dispatched to 2020 S Green River Road (Casey's General Store) in regard to a BUNCO report. I, Officer R. Eagleson, arrived on scene and spoke with the victim identified as Christopher Abrams. Abrams advised that he drove to Casey's this evening to purchase some merchandise. Abrams advised he had parked his pickup truck at the front of the store, exited it, and walked up to the store. Abrams advised that he must have dropped his wallet in the parking lot while entering the store. Abrams advised despite his efforts in looking for the wallet, he was unable to find it.</p> <p>Abrams mentioned around the time he lost his wallet, a tall white male wearing a brown coat (offender) was in the store paying for merchandise. Unbeknown to Abrams at the time, the offender was using his [Abrams'] debt card to pay for merchandise. The offender fraudulently used Abrams' debt card in four total transactions all at Casey's: The first was for cigarettes (\$6.29), the second was for cigarettes (\$6.29), the third was for a lottery ticket (\$20.00), and the fourth was for a lottery ticket (\$20.00). The offender left the store prior to Abrams realizing that his debt card was fraudulently used.</p> <p>Abrams opened his bank account, noticed the fraudulent charges, and called 911. The cashier who rang up the offender's transactions was still working, identified as Corey Bailey. Bailey advised that the offender told him he had lost his own wallet, was not sure how much money was in his account, and therefore wanted to test out his debt card on small purchases just to see if it worked. The offender, as previously explained, paid four different times for merchandise. Bailey advised he believed the offender's story and did not know that the card the offender was using was actually Abrams'. Bailey advised that the offender was given a ride to Henderson by another employee (involved other), identified as Alexa Oldham, shortly after the offender's final transaction.</p> <p>I called Oldham's cell phone number that was given to me by Bailey. Oldham advised that the offender had been at Casey's for several hours on today's date speaking with her. She advised that he requested a ride over to Henderson, which</p>		EAGLESON, R. C.

Oldham described the offender as a very tall white male (6`03" - 6`05") and mentioned he was wearing a blue gaiter-type mask that covered the bottom half of his face. Oldham mentioned that she dropped the offender off near the intersection of Vine/Gabe in Henderson. Oldham also mentioned that she received \$5.00 from the offender for the ride.</p> <p>Abrams advised that there were several items in his wallet that he wanted to report stolen. These items include: \$5.00 in cash (broken into \$1.00 denominations) on an alligator clip, Abrams` Kentucky driver`s license, Abrams` social security card, and the wallet itself (a brown leather trifold, unknown brand). Abrams advised he had canceled his debt card through his bank. Bailey mentioned to me that they have security camera footage of the offender that can be accessed sometime tomorrow (01/27/2021) between the hours of 0400 - 1100 when the manager (Rick - unknown last name) would be working. Abrams was provided with a case number for his reference.</p>	Found Property (C), at 1417 E Eichel Ave, Evansville, IN, between 20:20, 01/26/2021 and 20:24, 01/26/2021. Reported: 01/26/2021.
