Ryan parked his vehicle in the roadway and spoke with the unknown driver of the red vehicle, telling him to move out of the way so he could proceed through the street. The driver of the vehicle refused to oblige after being asked multiple times to move.</p> <p>Ryan decided to get back into his vehicle and pass the red vehicle on the right. Ryan advised there was a white Toyota passenger car (offender's vehicle - unknown license plate information) parked on the right side of northbound Hebron Avenue (as he describes, the offender's vehicle was legally parked). Ryan believed he had enough space to fit his vehicle between the red and white vehicles, but was wrong. Ryan ended up crashing his vehicle into the white Toyota passenger car, causing minor damage to the rear left fender of the white Toyota.</p> <p>Ryan got out of his vehicle, approached the white Toyota, and made contact with a hispanic male driver (offender). Ryan advised he attempted to obtain all of his information, but he only received the offender's insurance information (see officer narrative). Ryan did not obtain the driver's address information or registration information for the vehicle. The offender then drove off in an unknown direction of travel. I was able to observe minor damage to the center right of Ryan's vehicle. The damage contained white paint transfer from the offender's vehicle. The weather outside during the time of the crash was clear and sunny. The roadways were dry and paved (asphalt). Ryan was provided with a case number for his reference.</p>		EAGLESON, R. C.

I read him Miranda warning, and the suspect waived his rights and agreed to talk to me.</p> <p>The suspect stated that he initially took those gift cards to hand over their store drivers, but that day he failed to find them. The suspect stated that some time later of failing to return the gift cards he gradually started using them in the Walmart stores. The suspect admitted his guilt of using those cards without a permission.</p> <p>I cited the suspect, UTT# 8220149145 and released him on scene.</p> <p>Moes Southwest Grill VICTIM of Forgery- Counterfeiting (A), at 6401 E Lloyd Expy, Evansville, IN, between 15:45, 01/28/2021 and 15:54, 01/28/2021. Reported: 01/28/2021.</p> <p>Officers were dispatched to Moes Southwest Grill (6401 E Lloyd Expressway) in regard to a BUNCO incident. Upon arriving, I spoke with the manager of the restaurant identified as Khalad Abutaqa. Khalad advised at approximately 1545, a black male wearing all black (offender) entered the restaurant and ordered a couple of burritos and a bottle of water. The offender went to the cash register and attempted to pay with what seemed to be a \$100.00 bill. Khalad took possession of the \$100.00, looked up at it through the light, and determined it was counterfeit.</p> <p>Khalad told the offender to wait while he had someone verify the bill's legitimacy. The offender remained inside of the restaurant for several minutes before eventually leaving after he was told he was being denied service. The offender was ultimately unsuccessful in purchasing anything with the fake \$100.00 bill. Khalad walked after the offender and told him to stop, but he ignored Khalad and walked northbound through the parking lot toward Biaggis, then to the west in front of the businesses toward Burkhardt Road until out of sight. I took possession of the fake \$100.00 bill and examined it. The bill appeared to be counterfeit and not considered "prop" or "movie" money.</p> <p>Khalad showed me the video footage of the incident, which clearly showed the offender using the fake \$100.00 bill to pay for the food he had ordered. Khalad advised he would download the video footage and turn it in to EPD as soon as he could so detectives could view it. I placed the fake \$100.00 placed in the Financial Crimes mailbox. Khalad was provided with a case number for his reference. The serial number on the fake \$100.00 bill did not return to anything currently entered into RMS as stolen or used elsewhere.</p>		EAGLESON, R. C.
