	<p>the EPD Crime Scene Unit (CSU) were requested to conduct their respective investigations.</p> <p>Officers spoke with management, who had surveillance footage and information of the person who rented the room. Officers learned the subject and his friend, both identified as involved others, had checked-in to rooms # 213 and # 212 a couple of days ago. They reportedly checked-out last evening, 01/03/2021.</p> <p>Officers reviewed surveillance footage and learned two vehicles were involved, a silver Nissan SUV and a silver / gray BMW SUV. The footage showed Celest with the males, she was carrying food and belongings. Additional footage showed them carrying her property from their vehicles. A large amount of Celest`s property was located with room # 213.</p> <p>Before detectives interviewed Celest, the two males in question (involved others) returned to the motel office and desired to speak with law enforcement.</p> <p>Both males appeared genuinely concerned about Celest and her actions. They reported they met Celest through a guy, later identified as an involved other, and stated she acted normal throughout the day, other than appearing paranoid. They reported Celest told them she was having problems with a guy(s) trying to harm her, so they desired to help. They reportedly took her to a motel in Henderson, Kentucky to get belongings and returned to the room. They also reportedly went to get food. In the evening, however, they reported Celest was different. One male stated Celest destroyed the room and harmed herself with a knife and a piece of glass. Celest reportedly stated no one cared for her. The male recorded Celest`s actions with his cellular phone. In the footage, officers observed Celest sitting on the end of a chair, facing an end table. She appeared under the influence and had something in her hand, which the male took away from her. The object appeared to be a knife. The male asked Celest why she was doing what she was doing and she needed to stop. The other male was reportedly in room # 212 and heard the commotion from room # 213. He opened an adjoining door to check on his friend. He also reportedly observed Celest harming herself. He reported he was upset with Celest because he was financially responsible for the rooms, which she had damaged.</p> <p>The males reportedly called management and told them Celest was acting irrational and destroyed the room, which was confirmed with management.</p> <p>The male`s left and checked-out of the rooms. The male who recorded Celest`s actions above, showed officer text messages Celest had sent him. There were probably 50+ text messages sent to him, stating things such as she loved him, she needed him to hold her and begged for him to return. The male replied to Celest stating she scared him. Celest sent more text messages and appeared weary and impatient when the male did not reply. Shortly before officers were called to the motel, Celest stated in text messages she was destroying the rooms and would give his identification to police, i.e. make allegations against him. The males decided to return and speak with law enforcement.</p> <p>The two males did not have warrants for their arrests and their statements corroborated evidence.</p> <p>Officers returned and spoke with Celest after she was advised of her Miranda Rights Warning. Celest denied making a false report to law enforcement.</p> <p>Officers reviewed surveillance footage, text messages and video from a cellular</p>
