While standing on the passenger side of the vehicle, I observed a sealed plasatic bag containing a green leafy substance. From my field training and experience, I immediately recognized the substance as marijuana. Britt was removed from the vehicle and I then returned to my patrol car to confirm Britt's driver's status and warrants. Britt was found to have a suspended-prior license and two writs. Britt was then placed in handcuffs. I then returned to the vehicle and recovered the plastic bag containing marijuana. I then observed a second bag underneath the front passenger seat containing the same green leafy substance as the first bag. Both bags later tested positive for THC (Combined field weight: 228g). Britt was issued a citation for possession of marijuana and a warning for his license. Britt was then released.</p>	FORSTON, J. L.
