Case #	Description	(A)ttempted, (C)ompleted, (F)elony, (M)isdemeanor	Officer
<i>Property Damage</i>	<p>in regard to a hit and run with property damaged. Upon arriving, I spoke with the victim identified as Rebecca Oakman. Oakman advised she was driving her black Toyota Rav4 (Indiana license plate: TK204NWH) north-bound on Green River Road approaching the intersection of Covert Avenue. Oakman advised she had slowed to a stop in between the gas stations (Chuckles to the west and the Marathon to the east). She advised she observed the driver of the vehicle behind her yelling at someone because she may have cut someone off. Oakman advised that after the driver was done yelling, she accelerated forward and crashed into the rear of her [Oakman`s] vehicle.</p> <p>Oakman advised that she and the driver of the other vehicle (a White Jeep Grand Cherokee; Indiana license plate: ATS338) pulled into the parking lot of Chuckles. Oakman advised she and the driver (a younger white female, approximately 25 years in age) began speaking. Oakman advised that the female told her that she had kids in the car and that she had already called the police. Oakman advised that she was going to call the police. The female then got back into her vehicle and left south-bound on Green River Road until out of sight. Oakman was able to take a picture of the license plate of the female offender`s vehicle. I photographed the damage of Oakman`s vehicle using my department-issued body-worn camera. I observed white paint transfer on Oakman`s rear bumper. I provided Oakman with a case number for her reference.</p> <p>I also spoke with a witness on scene, identified as Sean Tino-Cunniffe. Tino-Cunniffe advised he was driving north-bound on Green River Road and began turning into the parking lot of the Chuckles gas station (slightly west of the crash location). He advised he observed the white Jeep (offender`s vehicle) and the occupants of an unknown black passenger car yelling at each other. Tino-Cunniffe believed that the driver of the Jeep had cut off the driver of the black passenger car at some point. Tino-Cunniffe advised that the Jeep stopped directly behind Oakman`s vehicle, then accelerated into the rear of Oakman`s vehicle. I obtained updated information from the witness and released them.</p> <p>I was able to take the license plate information that Oakman provided and ran the vehicle`s BMV status. I noticed that the registered owner - (involved other: Sarah Feldmann) lived at 6609 Saint Andrews Drive in Vanderburgh County to the south-east of 1601 S Green River Road. I drove over to the address and spoke with Feldmann. Feldmann did not match the offender`s description as depicted by Oakman. I also did not observe the white Jeep Grand Cherokee anywhere in the area. I asked Feldmann if she owned a white Jeep Grand Cherokee. Feldmann advised that she had sold the Jeep to a younger couple approximately two years ago. I advised Feldmann that the registration was still active on the vehicle. Feldmann was not able to provide an explanation for this, other than the fact that the vehicle had been sold. Feldmann was not able to provide any information at this time for who she sold the vehicle to. Feldmann advised that the couple did mention that they lived in Illinois. I provided Feldmann with a case number and advised to call in with any information if she was able to provide it later.</p>
