LW 2104687	<p>Weightman, Amy Lynn (W F, 38) VICTIM of Theft (C), at 1101 N Green River Rd, Evansville, IN, between 15:00, 03/23/2021 and 17:00, 03/24/2021. Reported: 03/24/2021. Tot.Est.Loss: \$1,000.</p> <p>I, Officer R. Eagleson, was dispatched to 1101 N Green River Road (Howard Johnson) in regard to a general complaint. The caller/victim, identified as Amy Weightman, advised Central Dispatch that she wanted to speak to an officer over an issue between her and the hotel management. Upon arriving, I located Weightman in the parking lot. Weightman advised that her friend (offender) was allowed to stay over at her hotel room (room 273). While he was there, he broke the television somehow and the hotel was making them pay for it. As I spoke with Weightman, I learned the situation was civil and told her to seek civil legal assistance.</p> <p>Weightman then advised me of another incident involving the offender. She advised that she believed the same offender had stolen her \$200.00 coat containing within it \$1,000.00 in cash (all in \$50.00 bill denominations). Weightman said that she believes the offender stole it because he was the only person that would have had access to her room. I asked how she knew the offender. She advised he used to work at a bakery that she used to own, but had since closed down. She also advised she is going through a rough divorce and invited him to her hotel room for company.</p> <p>Weightman advised that she and the offender were the only ones in the hotel room on 03/23/2021 until around 1500. Weightman advised around that time, she suffered from a medical problem that caused her to possibly lose consciousness. When she woke up a short time later, the offender was still there but left shortly after. She also left the hotel room. She returned on 03/24/2021 and noticed at this time that her coat was missing. Weightman suspects the offender took the coat because he was the only one inside of the hotel room. Weightman mentioned that the offender has a warrant and also has been using methamphetamine. Weightman was provided with a case number for her reference. Weightman advised that the hotel room must have caught the offender on their security cameras.</p>		EAGLESON, R. C.
