Ofc. Martin and I were dispatched to a Shoplifting call at Wal-Mart on 401 N Burkhardt Rd. We arrived on scene where two offenders (Male and Female) were detained by Loss Prevention. Loss Prevention informed us that the offenders, attempted to steal approximately \$723 worth of items. Ofc. Martin called the EPD Records Department to check for prior offenses. The Female was cited for Shoplifting and the Male was taken into custody and transported to VCCC for Shoplifting and the 3 warrants.

Officers responded to the area of Interstate 69 just East of US Highway 41 in reference to other officers having a motor vehicle strike their patrol cruiser. Officers arrived on scene and located the other officers with their vehicle, that had heavy front end damage. The officers stated that they were standing outside of their vehicle directing traffic to turn around from northbound I69 to go back west toward US HWY 41 due to an accident further up on I69 involving a semi and car blocking the interstate. They stated the suspect vehicle then did not stop and ran into their patrol vehicle as it passed. Officers observed the other vehicle approximately 100 yard East of the patrol vehicle and went to check on the driver.

Officers made contact with the driver of the other vehicle. The driver had slurred and lethargic speech, was unsteady on his feet, and the odor of alcoholic beverages was detected. Officers asked the driver if he had been drinking this evening and he stated that he had. Officers conducted SFSTs on the driver, and determined the driver was under the influence. During a search of the vehicle, a clear plastic bag containing mushrooms were found in the center console. The driver of the vehicle was read his Miranda Rights and Implied Consent. The driver stated he understood, and that he would submit to a chemical test. The driver was asked about the mushrooms, but he stated that he did not know what they were.
