<p>LW 2111038 <i>Communication- Intimidation</i></p>	<p>Tevault, Matthew M. (W M, 36) VICTIM of Communication- Intimidation (C), at 1121 Washington Sq, Evansville, IN, between 21:13, 06/22/2021 and 21:49, 06/22/2021. Reported: 06/22/2021.</p> <p>I, Officer R. Eagleson along with my partner Officer M. Tevault, were on duty fully dressed in Evansville Police Department uniforms patrolling in fully marked Evansville Police Department vehicle 1744. We were dispatched to 1121 Washington Square (KC's Time Out Lounge) in regard to a harassment in progress. Central Dispatch advised that a short and bald white male wearing a navy blue t-shirt was walking along the patio harassing customers. Upon arriving, Officer Tevault and I located a bald white male wearing a blue t-shirt matching the description given by Central Dispatch. The male, later identified as Christopher Goff, was talking with KC's security officer (Witness). As we approached, I noticed that Goff was speaking loudly to the witness, which was disturbing the guests on the outside patio. I could smell the odor of alcoholic beverage on Goff's breath, noticed that he was slightly unsteady on his feet, observed that his speech was slurred, and observed that his eyes were red and glassy. Goff advised that he did not do anything and that security was messing with him. Goff further mentioned that he had consumed approximately five drinks starting at 1100 on today's date (06/22/2021). The witness advised that he wanted Goff removed from the property and barred for two years due to his behavior. As we were speaking with the witness, Goff continued to yell unnecessarily at the witness, informing him that he wanted to "beat his ass." The witness did not wish to press charges. Officer Tevault and I advised Goff that he was barred/banned for two years time and to leave the property. I told Goff that he should not drive his vehicle since he was under the influence of alcohol.</p> <p>The witness advised that Goff came to the establishment today and had one drink, but the bartender mentioned to him (the witness) that he was intoxicated and causing problems. The witness asked Goff to come outside due to him bothering guests. The witness said that Goff left and he (the witness) locked the gate behind him. Goff became upset and began bothering guests and yelling at the witness, trying to get him to fight. As we were speaking with the witness, Officer Tevault and I watched Goff walk away from the property. A short time later, we observed Goff walking around in the parking lot. Goff then entered a brown Mitsubishi Outlander (Indiana license plate: 445TGK; Expiration: 05/14/2022) and began driving east back toward the building after we told him that he could not drive due to him being intoxicated. I flashed my flashlight at him in the parking lot in order to get him to stop the car while yelling "stop." Goff stopped the car and turned it</p>		EAGLESON, R. C.

LW 2110963	<p>off. I opened the door of the car and ordered him out. Goff remained seated in the car. I pulled Goff out of the car and Officer Tevault properly placed him into handcuffs. Based on my previous observations and the fact that we observed him driving, I believed he was operating a motor vehicle while intoxicated. Standardized Field Sobriety Tests (SFSTs) were not performed due to Goff's belligerent behavior. I read Goff the Miranda Warning, to which he advised he understood his rights and agreed to speak with me. Goff again admitted to drinking and later admitted that he remembered me telling him not to drive, but did it anyway because he lived only three blocks from the bar. He further informed me that he did not have any medical issues. I read Goff the Indiana Implied Consent card, to which he agreed to submit to a chemical test. Officer Tevault and I placed him in the patrol vehicle, towed the car to Tri-State Towing's secure police impound, and transported him to the Vanderburgh County Jail.</p> <p>While enroute to the Vanderburgh County Jail, Goff became upset when I asked him how many dependents he had. Goff mentioned his mother was a dependent. Officer Tevault advised him that his mother was not considered his dependent. Goff became enraged and told Officer Tevault something to the effect of "Take these handcuffs off and I'll whoop your f***** heads into the ground" attempting to place Officer Tevault in fear. Because Officer Tevault is a sworn police officer for the Evansville Police Department and the fact that Goff openly and verbally made a threat toward Officer Tevault, we charged him with intimidation. The threat was also captured on our department-issued body-worn cameras. At the Vanderburgh County Jail, I had him sit in the intoxilizer room. I, Officer R. Eagleson, am a certified intoxilizer operator (Indiana certification number: A207371). Using certified testing "Intox EC/IR-II" (serial number: 011142), I administered a chemical test on Goff. The results of the certified test revealed Goff's BrAC of .191 (as expressed as grams of alcohol per 210 liters of breath). Goff was booked into the Vanderburgh County Jail under the listed charges.</p>	(C)	STEPRO, A. D.
