--------	--	---------

Alicia said she fell to the ground and James began to pull her hair. Alicia had visible knots on her head and was complaining of pain from being punched and her hair being pulled.

I spoke to a witness. W1 said he was present when this took place. W1 showed officers video of the incident on a home security system. I watched the video. James and Alicia were verbally arguing. Alicia was sitting on the couch and James was standing in front of her yelling at her. Alicia stood up and began to walk away from James into the bedroom. James punched Alicia in the right side of the head from behind as she walked away. Alicia turned and began to defend herself. James walked away for a second but returned and punched Alicia in the head a second time. Alicia went into the bedroom and James followed her. This incident took place in the living room of the residence.

I spoke to a second witness. W2 said she was present when the incident occurred. W2 said she witnessed James punch Alicia. W2 said when Alicia and James went into the bedroom she tried pulling James off of Alicia.

While watching the video, I noticed children present. Both children are listed as IO in the case report. Both children are under 16 years old. The children belong to W2. I started to ask W2 the children's information. The male child told me that he saw what happened and ran outside.

Alicia was visibly injured and shaken. I walked into the bedroom several times during the call and Alicia thought it was James and began to scream and shake in fear.

Officer Henderson arrived and took photos of Alicia's injuries. W2 said she would get officers a copy of the video. Officers were able to confirm James had a prior conviction of domestic battery. The cause number for that is 82D050909CM06591.

Officers were advised James was on hygiene leave from the safe house for 4 hours. Officers contacted the safe house and asked if they would contact us when James checked in. Officers received a call stating James was back. Officers went to the safe house and placed James under arrest. I walked James outside to our patrol car. I read James Miranda Rights and he verbally said he understood. I asked James if he knew why we were there and he said yes. I asked James why we were here and he said I guess for domestic battery. I asked James on whom and he said Alicia. I told James I wanted to get his side of the story. James stated he went over there and caught Alicia with another guy and he snapped out. James stated that Alicia punched him and he punched her back. I informed James it was all on video. James stated that he pushed Alicia and she hit him.

James was transported to the Vanderburgh Jail where he was booked in for domestic battery.
