<i>Incident Rpt Misc</i>	<p>Officers responded to a 911 hang up, possibly at 5564 Eden Dr. When I arrived on scene, I heard alot of arguing and crying from what appeared to be coming from 5584 Eden Dr. I opened the door and observed a white female behind the door crying and a younger black male trying to talk to her. I told the black male (VI) to back away and let me speak to the female (IO#1). The VI stated that his mother, Renee (IO#1) was having a PTSD attack and she was going through withdrawals, because she hasn't had any dope for 3 days. Renee was crying hysterically and wouldn't calm down. I eventually talked Renee out and had her sit in a chair by the door. The VI then stated that he felt like he was about to have a seizure and was feeling nauseated. While trying to ascertain what happened, the VI collapsed and went into a seizure. I then called for fire and AMR.</p> <p>Renee eventually told me that she and Patience (IO#2) entered into a verbal argument over some phones. Renee then told me that Patience hit her, but I could see no sign of injury and both the VI and Patience advised that nothing physical occurred. The VI advised earlier that his mother was going through withdrawals and PTSD and he was trying to calm her down. Once AMR and fire arrived on scene, they began working on the VI. During this, Renee kept asking Patience what she gave her son. Patience stated that she did not give him anything. Renee, still crying hysterically, stated that Patience gave him something and that there was still some dope in her room that Patience put there. I asked where it was in her room and Renee stated she didn't know, but Patience had to give her son some type of drug. Renee begged me to go in her room and look for it, in which I did, but found nothing.</p> <p>As AMR and fire were leaving, Renee stated that she was about to have a panic attack and wanted to kill herself. Renee advised twice that she wanted to kill herself and that she couldn't handle this. I then called for a CIT officer and another AMR. Off. J. Dickinson arrived and completed the CIT on Renee. Both Renee and the VI were later transported to St. Vincent's Hospital for treatment.</p>
