<i>Violence Incident Report</i>	<p>07/19/2021. Reported: 07/19/2021.</p> <p>Officers were dispatched to a family dispute at the listed address. The juvenile offender was standing on the sidewalk (on Martin Ln; just south of Woodford Ct), when officers arrived. The juvenile offender was detained and brought back to the house.</p> <p>Officers spoke to victim 1 (offender's mother). The juvenile offender had her phone taken away as punishment for poor behavior. The offender wanted her phone and victim 1 was not going to give it to her. The victim sat down on the couch with the phone behind her lower back. The offender got on top of her and began trying to pull her arms out from behind her back. The offender was trying to put full body weight onto victim 1. Victim 2 (juvenile; offender's older brother) grabbed the offender and pulled her off of victim 1.</p> <p>The offender stated she was going to get a knife and hurt herself. Victims 1 and 2 followed after the offender and attempted to grab the offenders arms to maintain control of her. She pushed victim 1 away from her. Victim 2 (brother) grabbed her arms and she bit his hand (finger).</p> <p>The offender told victim 1 that she was going to harm herself in her room. Victim 1 continued to follow the offender around the house. The offender attempted to shut her bedroom door, but victim 1 was standing in the way. The offender pushed victim 1 out of her doorway. Victim 3 (juvenile; younger sister of offender) got into an altercation to protect victim 1. Victim 1 stated it was physical, but mainly hair pulling.</p> <p>The offender and victim 3 separated. The offender was running through the house knocking items off of shelves and throwing things across the room. The offender was also using disrespectful language toward her mother. The offender attempted to lock herself in the bathroom, but victim 1 did not allow her to shut the door. The offender pushed victim 1 while they were inside the bathroom. Victim 3 saw the push and got into another altercation with the offender (similar to the first altercation between the offender and victim 3).</p> <p>Victim 1 was able to separate the offender and victim 3, again. Victim 1 and the offender had ahold of each other (due to the altercation being separated). Victim 4 (the offender's grandmother; and victim 1's mother) went to pull them apart. In the process of separating the offender and victim 1, victim 4 was bit on the back of her arm by the offender.</p> <p>Victim 2 called the police and the offender exited the home and was located by officers on arrival. Victim 1 (mother) did not want her daughter to go to YCC. Officers spoke to juvenile detectives and due to several circumstances detectives stated a report was okay and an arrest did not need to be made.</p> <p>The offender's father arrived on scene as officers were wrapping up their investigation. The offender, at the time of this report, was being picked up by father. Victim 1 was given a case number and advised of possible future outcomes.</p>
