Reported: 08/01/2021.</p> <p>I, Officer R. Eagleson, was on duty fully dressed in an Evansville Police Department uniform driving fully marked Evansville Police Department vehicle 1744. I was dispatched to 1601 N First Avenue (Marathon) in regard to a found property. The witness called 911 and advised he believed that he found his stolen moped which was being driven by the offender. Upon arriving, I observed the offender driving the moped. I initiated my emergency lights on my patrol vehicle and conducted a traffic stop on the offender.</p> <p>I placed the offender into handcuffs because I had reasonable suspicion to believe criminal activity was afoot and asked if I could search him. The offender gave me verbal consent to search him. During the search, I located a cigarette carton in one of his pants pockets. I removed it and looked inside. I located a white paper roll unlike the rest of the cigarettes. I examined the paper roll closely and observed that it contained a leafy green substance. Based on my training and experience, I believed the substance was marijuana. I read the offender the Miranda Warning, who advised he understood his right and agreed to talk with me. The offender advised that he smokes marijuana and identified the substance as such. The offender was cited and released.</p> <p>At EPD Headquarters, I weighed the substance on a scale. The substance weighed less than a gram. I tested the substance using Duquenois Levine Reagent Test Kit for marijuana, which resulted in a positive field test for the presence of THC. I then bagged, labeled, sealed, and secured the evidence in the narcotics evidence storage lockers located at EPD headquarters. There was no further incident.
