Reported: 08/31/2021.</p> <p>Officers were dispatched to the listed address in reference to a shots fired call. Dispatch stated the reporting party (RP) was an employee at the River Kitty Cafe. The RP stated a male in a red vehicle fired one shot from the vehicle into the building. The shot broke the front window and the vehicle fled the scene. Dispatch advised the RP had a heavy accent and was difficult to understand.</p> <p>A number of officers arrived on scene and observed no damage to the business. There were also fifty+ pedestrians outside near the business and no one had heard any shots. Officers made contact with the sole employee at the business (involved other). The employee stated he received a call from an unknown number; the same number that called 911 to report the shots. The male on the phone told the employee he was going to call 911 and report shots fired at the business. The employee stated the male had a heavy accent and stated he would continue to call in shots fired calls to the business because he thought it was funny. The employee stated a second male with a Scottish accent intervened on the phone and stated he thought it was funny as well.</p> <p>A report was taken for false informing. The employee was given a case number for future reference.</p>	BLAIR, J.

She stated she was at her boyfriend/husband's brother's house across the street visiting. When they were leaving an argument ensued about an unknown reason and the offender "punched" the reporter in the face.</p> <p>Witnesses on scene stated that the reporters boyfriend first pushed the offender and the offender swung back hitting the male, not the female.</p> <p>The offender admitted to swinging on the male, but the male was not on scene to give a statement.</p>	TABOR, A.
