RE: Public Notice ID No. LRL-2021-00750-gjd

Dear Mr. DeLancey:

By now you have received or will be receiving communications from the Evansville Water and Sewer Utility, the City of Evansville Engineer's Office and the Evansville-Vanderburgh County Levee Authority in opposition to the above-referenced Section 404 Permit Application Levee submitted by Meuth Construction Supply, Inc. ("Meuth"). Based upon those letters, it is clear that the issuance of a Section 404 Permit to Meuth would have a detrimental effect to the City of Evansville's drinking water, levees and roads.

For these reasons, I am opposed to the issuance of a Section 404 Permit to Meuth and would respectfully request a public hearing be held in the City of Evansville, Indiana so that its citizens have the opportunity to voice their concerns regarding the impact of the proposed operations.

Very truly yours,

Lloyd Winnecke, Mayor
City of Evansville
