The reporting party stated that a female drove her vehicle into two cars parked in the parking lot.</p> <p>Officers responded and found property damage on three vehicles in the parking lot. A witness to the incident came up and told officers that the victim was inside the bar. Officers located and detained the offender on suspicion of operating a motor vehicle while intoxicated (OMVWI). The offender was read her Miranda Rights and she acknowledged her rights and agreed to speak with officers. The offender stated that she had operated her car to jump a vehicle that was non-operable with her vehicle. The offender stated when she was operating her vehicle, she accidentally struck two other vehicles in the parking lot. When asked by officers if she had been drinking, she indicated she had been drinking prior to operating her vehicle.</p> <p>Officers conducted SFSTs and administered a PBT. The offender failed the SFSTs and the PBT indicated a blood alcohol content above the legal limit. The offender was placed under arrest for OMVWI and read implied consent. She stated she understood and she consented to a chemical test. She was transported to Deaconess Midtown for medical clearance due to her being in an accident while driving under the influence of alcohol. The offender was read implied consent again, and the offender consented to a blood draw. The sample was collected into a State Kit and submitted as evidence.</p> <p>The offender was charged with the above listed charges and released from Deaconess Midtown.</p> |                                                   | COYLE, W.
