Vanderburgh County Commissioners Announce Groundbreaking for the Green River Road Trail Project August 12, 2022 at 8:30 a.m.

Evansville, IN - Please join the Vanderburgh County Commissioners at the Goebel Soccer Complex and Deaconess Sports Park entrance for the groundbreaking of the Green River Road Trail Project.

Vanderburgh County was awarded \$771,150 for the Green River Road Trail Project by the Indiana Department of Natural Resources Next Level Trails Program. Next Level Trails is part of Governor Holcomb's \$1 billion Next Level Connections infrastructure program, which will include projects including expansion of rural broadband services and completion of major highway projects statewide.

The trail will add 2.3 miles of asphalt trail along Green River Road from Lenape Lane to Millersburg Road and will connect the Green River Road Canoe Launch, Goebel Soccer Complex, and Deaconess Sports Park. The project will also include widening bridges at Firlick and Pigeon Creeks to accommodate the trail. Vanderburgh County is one of 18 projects statewide selected for a Next Level Trails Grant.
