RE: Joint City-County Building Commission  
Vanderburgh County - Building Commission  
Our Client No. 2019.006

Dear Mayor Winnecke:

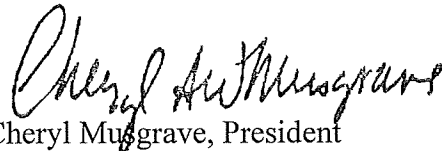

Since my prior letter to you requesting a meeting to discuss the selection of a new Building Commissioner, multiple staff departures and disruption of operations in the Building Commission has been brought to the attention of the County Commissioners. On behalf of my fellow County Commissioners, I am making a second request for a meeting with you to discuss the following:

1. Selection of a new Building Commissioner;
2. Staffing management process and procedures;
3. Morale of employees within the department; and
4. The proportional disparity between the services received by the County in relation to the financial contribution to the department made by the County.

Hon. Lloyd Winnecke

Without meaningful collaboration in the operation of this joint department, the viability of continued participation of Vanderburgh County remains problematic.

Very truly yours,

Cheryl Musgrave, President  
Board of Commissioners of Vanderburgh County
