<p><i>Motor Vehicle- Operating Without Ever Obtaining License</i></p>	<p>Officers observed a gray passenger vehicle traveling eastbound on Franklin Street nearing the intersection with St. Joseph Ave. Officers believed to recognize this vehicle from a previous warrant service attempt in March of this year. Officers checked the registration plate information through the BMV which showed it belonged to Wanya Owens. The NCIC database showed Owens having an active Warrant out of Vanderburgh County. The BMV also showed the registered owner`s driving status as Suspended - Infraction on a Learner`s Permit. Officers reasonably assume the registered owner was driving the vehicle. While waiting for he BMV and NCIC responses to return, Officers observed this vehicle conduct a U-Turn on Franklin Street and travel back to the West. Officers obtained the return and also conducted a U-Turn on Franklin Street. As officers traveled West on Franklin, the suspect vehicle was no longer in site. Officers circled the block once more and observed the vehicle had parked and shut its lights off in front of Sportsman`s Bar. Officers exited the vehicle and approached the vehicle. Officers observed the registered owner, Wanya Owens, in the driver seat. Officers also observed a front seat passenger. Officers returned to their squad car to check the passenger`s warrant and driver`s status while awaiting for assisting officers. The BMV showed the passenger to also have a Suspended License. Upon the arrival of assisting officers, the occupants were removed without incident. The driver was taken into custody and advised he was shown to still have an active warrant. The passenger was released from the scene. While enroute to the Vanderburgh County Confinement Center, officers determined the Warrant was no longer active and had not been purged from the system. The driver was still charged and booked for</p>
