Reported: 09/01/2023.</p> <p>On 08/31/2023, Officers were dispatched to the 1800 block of Judson St in reference to a medical emergency. The reporter advised a male had snorted cocaine, was breathing, but not responsive, and was possibly experiencing an overdose.</p> <p>We arrived on scene, administered two 4mg doses of intranasal Narcan, and began CPR. The Evansville Fire Department arrived and administered three additional doses of Narcan. The male was conscious and alert at the time of his transport to a local hospital for medical attention.</p> <p>We spoke to another male (offender) in the home whom was present at the time of our arrival. Upon entering the offender's name and date of birth into the local Records Management System database we observed he had an active misdemeanor warrant out of Vanderburgh County. The male was placed in doublelocked handcuffs and his person was searched incident to arrest. I located a small gray plastic baggie containing a green leafy substance in the offenders left shorts pocket. Due to my training and experience, I recognized the green leafy substance as marijuana.</p> <p>The offender was sweating profusely and exhibited constricted pupils. Out of an abundance of caution, the offender was transported to Deaconess Midtown Hospital for jail medical clearance aboard AMR. The offender was granted medical clearance and transported to the Vanderburgh County Confinement Center where he was booked and processed for his warrant and possession of marijuana.</p> <p>We weighed the small gray plastic baggie containing the green leafy substance on a triple beam scale which produced a field weight of 4.3 grams. We field tested the green leafy substance with a Duquenois-Levine Reagent test which produced a positive result for THC. We placed the small gray plastic baggie containing the green leafy substance into a labelled evidence bag which was deposited in the Vanderburgh County Confinement Center Dropbox.</p>		PAPE, N. A.
