<p><i>Battery-domestic Violence Incident Report</i></p>	<p>Officers were working off duty at St. Vincent, when they were notified about a female in the ER. The female informed hospital staff that the male she was with broke her (has been in a sexual relationship with him) hands a few days prior. She was there to get medical treatment for her hands. Officers went and spoke to the female and she told them the same. Officers located the male and detained him.</p> <p>During the investigation the female changed her story. She stated that she was crazy and she did not remember "breaking her hands". Officers observed extreme swelling to both of her hands, swelling above her left eye, and old scratch marks on the back of her neck. The female informed officers that she has been off her medication for at least four days. She stated that she did not think the male truly hurt her, but if he did it was because she was going crazy.</p>
