LW 2405893	<p>Michael Floyd, the resident of 622 E Columbia St, told officers he didn't see anything and was in the other room when the assault occurred. He heard them arguing so he made them leave. Michael stated Edward left out the front door (south side of the house) and ran northbound behind the house. Michael stated the back door did not work and he watched him exit the front door.</p> <p>Mary was in a lot of pain when speaking with officers. AMR staff stated her bruises/injuries were consistent with someone being struck with a bat. Mary stated she was only struck in her legs and no where else on her body. She described the object used as a black baseball bat. A black baseball bat was located at the intersection of Garvin St/Oregon St. Pictures of the bat were captured on body cam.</p> <p>Mary came over to Michael's house to borrow a tool for her bicycle. Michael invited her in and without warning she was struck in the legs multiple times. I asked her who hit her with the bat and she identified the offender as Edward Bunch. He did not say anything prior to striking her. She exited the residence and the police were called. Mary had significant bruising on her left leg. She could not walk without assistance, but she refused AMR and refused to go to the hospital. I gave her a ride to a local shelter.</p> <p>Mary was given a case number and advised what to do if her condition got worse.</p>		BLAIR, J.
