Reported: 04/08/2024.</p> <p>I, Officer Frazier, was dispatched to a hit and run (property damage) report around 1505 hours. The information was gathered at 950 E Virginia St. I was gathering information from Shelika Armstead about a hit and run that she stated happened to her a few minutes prior. She stated the incident happened near the Virginia St viaduct. I completed a report and gave her a case number.</p> <p>I, at 1720 hours, was dispatched to a hit and run (property damage) report at the listed address. The victim, identified as Lisa Rodriquez, stated she located damage to the rear driver side of her vehicle. I was aware of the close location of my previous hit and run and thought the two might be related. There was a piece of debris in the roadway that was an intact mirror housing cover. The piece of debris did not match anything on Lisa's car. I placed the piece in the passenger seat of my car. There was a shard of metal missing from the rear driver side of Lisa's Ford Escape (just above the rear tire). I recalled a piece of metal that was stuck inside Shelika's door that I could not removed. It was wedged in the passenger door and the passenger door could not be opened. Shelika's recollection of her hit and run did not match the information I was currently gathering. I could also recall Shelika's passenger side mirror being folded in toward the vehicle and Lisa's driver side mirror being folded out (away from the door). I took this to mean Shelika's mirror hit Lisa's mirror causing the vehicle in motion's mirror (Shelika) to push out the stationary mirror (Lisa). I gave Lisa a case number.</p> <p>I changed location to Shelika's address. Her vehicle was parked out front with the damage untouched. Shelika walked out her front door as I approached. I held up the mirror debris, which matched her car (color as well). I told her she needed to be honest with me. I told Shelika the evidence I found (at the original scene) and why I believe she hit a parked car. I told her I thought she was lying to me. She eventually stated she made the story up and got paranoid when she hit the car. I gave Shelika her citation and gave her information to give her insurance agent (BUYCRASH.com). An accident report was completed.</p>		FRAZIER, R. T.
