Reported: 04/29/2024.</p> <p>On 04/16/2024 I was working Off Duty at 10747 Hillview Dr for a SOHN Auction Pick-Up. There had been past issues between family members with connection to the Estate. The victim is in charge of the Estate. The Pick-UP was scheduled on this date from 1100-1700 hours. The listed Offender and several family members with him had purchased items in the auction. They showed up around 1600-1615 hours to begin getting their items. They had numerous things to get and had not completed gathering everything by 1700 hours. Case #	Description	(A)ttempted, (C)ompleted, (F)elony, (M)isdemeanor	Officer
LW 2407962	<p>He decided to get it over with and allow them to stay longer.</p> <p>While in the garage collecting items the victim asked that they hurry up because it was supposed to have been over at 1700 hours. Several family members including the offender made comments about taking as long as they wanted and stating that he could not make them leave before they collected their items. At that point the victim began to close the garage door and told them they were done for the day. The garage door was stopped and the offender and victim began arguing. I was standing just a few feet away from the altercation. The Offender slowly walked toward the victim and placed both his hands on both the victim's shoulders in what amounted to a slow push. When he did this the victim grabbed both of the offender's wrist. I stepped in along with other's who were in the room and told them both to stop. They both did an nothing escalated any further physically. There were no injuries and with the speed at which things happened it would be hard to even consider anything to amount to and actual battery. Neither individual was ever knocked off balanced or moved backwards by the other. Once the two parties seperated things calmed down and the victim allowed the offender and his family to get the rest of their items.</p> <p>The victim advised me that the Offender is his uncle. At the time of the incident He did not wish to make a report or file charges. He asked my opinion and I told him even though I watched what had taken place getting battery out of that incident would be a stretch. I heard nothing further until late last week when I was contacted by SOHN Auctions. They stated that the victim had asked if I could complete an incident report to document what had taken place in case things escalate further in the future. I told them I would complete the report on today's date(04/29/2024) and would provide them with the case number.</p>		MORROW, H.
