The property owner located a bag of marijuana on the table and he doesn't think it should be there.</p> <p>I arrived and spoke to the property owner. He stated his friend, identified as Conner Fulcher, moved in with him on Friday (4/19). The property owner located a bag of marijuana in his residence. He tried to collect it, but Conner took it from him and would not allow him to have it. I told the property owner my options and told him I would attempt to talk with Conner.</p> <p>I located Conner in his bedroom. He was laying down in his bed. I asked Conner if I could step in his room and speak with him. He stated that I could. I explained to Conner why I was there and asked him if there was any narcotics in the room or on his person. Conner stated he had marijuana in his pants pocket. I had Conner turn around and I removed the marijuana from his pocket. It was in his right pocket and in a sandwich bag. I asked him if there was any other narcotics in the room and he told me there was not. I wrote Conner a citation and seized the marijuana as evidence.</p> <p>I took the marijuana to the Evansville Police Department West Sector Office. I weighed it with a digital scale. The weight of the narcotic was 14 grams. I tested the narcotic with a Duquenois-Levine Reagent Test kit (Nark II). It tested positive for marijuana. The seized marijuana was placed in evidence.</p>	FRAZIER, R. T.
