Reported: 10/23/2024.</p> <p>I, Officer Frazier, was dispatched to the listed address (METS bus terminal) for a person down run. Dispatch stated two subjects were outside on the ground. They stated it was one black male and one white male. I arrived and located both males in a state of intoxication. I called for medical personal to come to the scene.</p> <p>The first male I came in contact with was the offender, later identified as Carnelius Lane. Lane was laying on his stomach and drooling out of his mouth. I stopped, put on gloves, and approached him. Lane, as I was approaching him, looked up at me. I told him to relax and I was going to check him for weapons. I checked his left side and turned him slightly so I could check his right side. He, while I was checking his right side, rolled over and attempted to push off the ground. I, due to his increasingly erratic behavior and the reason for making contact with him, decided to place him in handcuffs. He kept trying to roll onto his back. Once I got him on his stomach he forcibly kept trying to pull his hands away from me. A good samaritan assisted me by holding down his legs while I was eventually able to place him in handcuffs. It took 1 minute and 53 seconds from the time I decided to detain him until I was able to place him in handcuffs. Dispatch even received a call from a METS employee telling dispatch he was fighting with an officer (myself).</p> <p>His behavior before and after contact, through my experience, is similar to someone who has used synthetic cannabinoids. His intoxication alarmed the reporting party and several bystanders at the bus terminal. He conduct disrupted the lawful assembly of bystanders waiting for there bus to arrive.</p> <p>Lane was transported to Deaconess Midtown for jail clearance. He was then transported to VCCC and booked on the listed charges.</p>		FRAZIER, R. T.
