The dog was tied to a broke down truck and was under the truck bed for shade.</p> <p>Animal control arrived a short time later and agreed with my assessment. Animal Control stated with how short the leash was and the way it was tied it could have very easily choked the dog or eventually it would embed into the dogs neck. The backyard had trash and junk everywhere. There was a bowl of dirty greenish/yellow water but the dog could not reach it. You could see the dogs hair was matted in most places. You could easily see and feel the dogs spine, ribs, and hips. Animal control made the decision to remove this dog immediately.</p> <p>Residents of the listed address stated the dog belongs to the listed offender, Chaffin. Residents stated Chaffin frequently stays in the shed that is in the backyard, but other than the shed they know him to be homeless. Chaffin was not on scene while animal control and I were there.</p> <p>This case number was given to Animal Control Officer McKnight.</p>		GIBSON, S. E.

Reported: 06/11/2025. On 06/11/2025, I responded to 2314 N Heidelberg Ave (Sunoco Gas Station) to assist Vanderburgh County Sheriff's Deputies with an investigation. I arrived and was advised the two occupants of the vehicle appeared intoxicated. The female (offender) driver was seated in the driver's seat with the keys in the ignition; in full physical control of the vehicle. I asked the driver to exit. Due to my training and experience, I immediately recognized the odor of an alcoholic beverage emanating from the driver's breath. The driver stated she had consumed one pint of McCormick's vodka and had taken sips out of a second bottle. The driver consented to standardized field sobriety tests. The driver failed the Horizontal Gaze Nystagmus Test. The driver stated she could not complete the Walk and Turn and One Leg Stand tests as she was intoxicated. The driver submitted to a portable breathalyzer test in which she registered a reading of 0.221 grams of alcohol per 210 liters of breath. The vehicle was towed to 1501 N Evans Ave by Tri-State Towing. During an inventory prior to tow, I observed an opened pint-sized bottle of McCormick's Vodka in the center console. Approximately one quarter of the pint was missing from the bottle. The driver was transported to the Vanderburgh County Confinement Center where she was read Indiana Implied Consent a second time. The driver refused to participate in the chemical test. The driver as booked and processed for operating a motor vehicle while intoxicated over .15 and operating while intoxicated - endangering.
