Tot.Est.Loss: \$610.</p> <p>Officer Harrington and I, Officer Byers, were dispatched to the listed address in regard to a residential burglary report run.</p> <p>When we arrived on scene, I observed pieces of the window screens on the west side of the apartment and a kitchen knife were on the walk way to the backyard. Officer Harrington and I conducted a protective sweep of the backyard and did not locate anyone.</p> <p>First, I spoke to the one of the residents, the son of the caller. The son stated that he was the last person to leave the house today and that he saw the listed items in the house before he left. The son stated he left the residence at approximately 2030 hours. The son stated he returned home shortly after the other two residents arrived. The son stated that the OF(s) might have went through the back due to him having a punching bag set up in the back yard that was no longer under the car port but was moved to the yard nearby. The son stated the OF(s) must have been selective in what they took due to his Nitendo Switch and laptop being out in the open on a table near the rear door of the home.</p> <p>The next resident I spoke to was the caller, who stated that her and her husband had left the residence sometime between 1700 and 1800 hours to go to the casino and returned at approximately 2215 hours and saw that their 65 in TV was no longer in the living room. Upon further investigating after calling 911, the caller and her husband discovered that the 65 in TV, a Nitendo Switch Dock, and the cable box that was hooked up to the TV were stolen along with an electronic safe containing misc paperwork (the title to their truck and other important documents that the caller and her husband were unable to list), a decorative knife, and a silver watch with a chain style band that was engraved with "best brother ever". The caller stated the electronic safe was in her and her husband's closet and not out in the open.</p> <p>I then spoke to the caller's husband, who stated that same information as the caller when I spoke to him.</p> <p>A crime scene detective was called to the scene and processed the crime scene, a report was made, and a case number was given to the residents of the listed address.</p>		BYERS, N.
