Reported: 11/18/2025.<br><br>The reporter called because the offender was trying to kick her out of the home that she has been living in with him over the past two years. The offender was not on scene at the time. After telling the victim that this was not a police matter and that she is well within her rights to stay and or leave the home until she is evicted, she showed me a video of a white man in a red hoodie carrying a shoe box from a white vehicle parked in front of the home. The man placed this shoe box into a trash can next to the home. This man is allegedly the offender. The victim showed me where the shoe box was and it matched the same shoe box that was I saw in the video. Inside of the shoe box I found 3 glass pipes used for consuming marijuana and a metal grinder. I collected these items and placed them into evidence. The victim refused to share the video with me so I did not file charges against the offender for the items. |                                                   | AMUZIE, T. D.   |
